

Roxanne Journet

Senior Interior Designer

About

I have worked in interior design across Europe, North America and Australia for over a decade. My professional approach is simple: true collaboration produces the best results. I work hard to understand my clients' needs, and challenge them to push their own boundaries. I ensure they are involved in the process, and feel a sense of ownership and personal achievement.

What I offer

- Global experience across three continents (Europe, North America and Australia)
- Strong creative concept development, recognised through awards success
- Proficient in AutoCAD, SketchUp, Vectorworks and Adobe Creative Suite
- Experienced design teacher, nurturing tomorrow's talent
- Thrive on solving problems for my clients through design
- Project management experience
- Ability to adapt quickly to new environments and roles
- Bilingual

Experience

Other interests

I'm passionate about design and architecture. Out of the office, I love to cook and was raised on books. I enjoy restoring furniture, pottering in the garden, and Sydney's beaches. Once COVID's behind us, I'm looking forward to jumping on a plane and travelling again.

Neuf Architectes (Montreal)

Senior Designer, July 2014- May 2019

Diverse senior role working across retail, corporate, retirement housing and multi-residential. Neuf is one of Quebec's largest architecture practices, working on flagship projects both in Canada and overseas. They employ 155 staff in their Montreal head office.

Primary responsibilities

- Concept development
- Client liaison, presentations and weekly meetings
- Management of a team of five designers
- Coordination with other project professionals (architects, engineers, etc)
- Plan review
- Materials and techniques research
- Creation of service agreements, minutes and other formal documentation
- Preparation of presentation documents. Plan renderings and material sample boards.
- Clients: QMD Menard, Waterford Retirement Group, Morgan Stanley, Broccolini, Ville de Montreal, Allied Property, Pratt & Withney, Schluter, Groupe Equinoxe
